

Booker T. Washington High School

EQUITY CHARACTER EXCELLENCE TEAM JOY

July 15, 2017

Dear New Booker T. Washington High School Students and Parents,

Welcome to Booker T. Washington High School! Please join us on Monday, **August 14, 2017 from 9:00 a.m. to noon** for our annual *Booker T. Freshman Orientation Session*. We are extremely excited that you chose to join the Hornet family! At the orientation session you will meet several members of the Hornet faculty and staff and student body and receive valuable information for the upcoming 2017-2018 school year.

Upon your arrival to the Hornet campus please report to the auditorium to participate in the general session which will begin promptly at 9:00 a.m. During this opening session you and your student will learn even more about the school that we call *the pride of the great Southwest* and meet several members of the Hornet family. After the opening session, students will be ushered to designated classrooms where they will receive their class schedule and participate in team building activities. The separate student portion of the orientation session will conclude with a tour of the building, led by members of Booker T.'s student leadership councils.

Parents, while your student is participating in the student session you will remain in the auditorium where you will learn more about the International Baccalaureate Middle Years Programme (IBMYP) and additional opportunities for you to support your student's education. Once your session has ended, you will be encouraged to move to the cafeteria commons area where you can visit with student/teacher representatives from various clubs and organizations, mingle with other parents, and of course, purchase a membership for the BTW Parent Teacher Student Association (PTSA). Additionally, during this time period, you may also pay for and/or pick up pre-ordered PE uniforms (\$20.00 for the set), purchase school spirit wear (t-shirts, hoodies, etc.) *and* order a special class of 2021 spirit t-shirt. The freshmen class sponsor (or a representative) will also be

available to collect class dues. Class dues for the c/o of 2021 are \$15.00 per student. Money orders and cash are the only form of payment that will be accepted at the orientation session.

For those that qualify, you will also have the opportunity to complete the Free and Reduced Breakfast and Lunch Program form during this time frame. Completing this form prior to the start of school will ensure that there is a continuation of free/reduced breakfast/lunch service beginning on the first day of school. Data collected from qualified students who submit this form also ensures that eligible students receive discounts and/or waivers for testing fees (AP, IB, PSAT, ACT, and SAT). Additionally, the completion of this form also ensures that the school continues to receive its fair share of federal Title I funding.

At Booker T., parental and community support drives the success of our academic and athletic programs. We hope to see you and your students at this event. As we prepare to start another exciting school year, the Hornet Faculty and Staff renews its commitment to academic and athletic excellence and a safe and caring learning environment.

From one Hornet to another, welcome to the Hive!

Sincerely,

Melissa J. Woolridge, Ph.D.
Principal
